AWARDS

- **The Duke of Edinburgh. *Gold Award*** – 2006

The Duke of Edinburgh awards helped me to be self-disciplined in what personal challenges and goals I wanted to achieve. The award improved my skills with working in a team and built on my abilities. The activities covered Services, Skills, Physical Recreation, Expeditions and a Residential Project.

- **LAMDA. *Bronze and Gold Certificate*** – 2004/2005

I gained the highest achievement in the London Academy of Music and Drama Awards in 2005. It involved a public speaking test to an audience expressing diction confidently and coherently. I was involved in this scheme through my school years, progressing from level one through to the Gold Award.

After completing my A levels I was given the Art prize for effort and achievement over two years of study.
